

Lerryn Area Minibus Association (LAMA)

LAMA provides community transport in and around Lerryn to help make good the shortfall in public transport in this isolated rural district. Our area of operation encompasses Lerryn, St Veep, St Winnow, Boconnoc, Lostwithiel and the districts that surround them. As a not-for-profit community minibuss service, we try to offer you a little more help and support than would a typical commercial bus operator. We therefore invite you to complete a **Passenger Registration Form** so that we may keep you abreast of our planned trips and advise you of any last-minute changes due to unforeseen reasons.

As an extension to the support which we can provide to you whilst using our minibuss, you may also wish to provide us with **In Case of Emergency (ICE)** information. **This could be a close family member, or a friend or neighbour.** Then, should you become lost or unwell during one of our trips, we can if necessary alert your ICE contact, particularly if the minibuss needs to continue its journey without you on board.

In operating a community minibuss, we must fulfil our obligations under the Data Protection Act 2018 and the Transport Act 1985.

With regard to the Data Protection Act 2018, we must process your data lawfully, fairly and in a transparent manner in order to comply with General Data Protection Regulation (GDPR) requirements. We have therefore included our **Privacy Policy** on the back of the passenger registration form, which we ask you to read.

The Transport Act 1985 does not allow us to carry members of the general public, but under Section 19 of the Act we are permitted to carry eligible passengers. We therefore ask you to confirm your eligibility by ticking the appropriate box on the **Passenger Registration Form** and then sign and date it. If you do not meet our eligibility requirements, then regrettably you cannot travel on our LAMA trips.

What You Need To Do
