Application

I, (full name),
being a delegated representative of

..... (name of organisation),
am applying on their behalf to be registered as an "authorised organisation" for the purpose of the Lerryn Area Minibus Association (LAMA) vehicle loan scheme.

I certify that:

- We are a recognised organisation.
- We operate on a not-for-profit basis.
- We are based in either: *(please delete the condition below that does not apply)*
 - LAMA's area of operation, which encompasses Lerryn, St Veep, St Winnow, Boconnoc, Lostwithiel and the districts that surround them.
 - LAMA's nearby area of operation, which applies when LAMA is cooperating with nearby community transport organisations and typically encompasses an area roughly within 25 miles of Lerryn.
- We provide a benefit to the community.
- Our membership is open to all within the aims and constraints of our organisation.

I enclose the following items of evidence / links in support of this certification:

.....
.....
.....

<p>For Organisations within LAMA's area of operation:</p> <p>I enclose £1 to purchase a LAMA share on behalf of our organisation and, in return and if approved, I understand that our organisation will become a full member of LAMA and an "authorised organisation". As such, we will be eligible to borrow the LAMA minibus in accordance with LAMA's vehicle loan scheme standard terms and conditions (see vehicle loan agreement) and we may also nominate someone to represent our interests at LAMA General Meetings.</p>	<p>For Organisations within LAMA's nearby area of operation:</p> <p>I enclose £1 to register as a "nearby authorised organisation" and, in return and if approved, I understand that our organisation will become eligible to borrow the LAMA minibus in accordance with LAMA's vehicle loan scheme standard terms and conditions (see vehicle loan agreement). However, such loans will only be permitted when evidence is provided that a community minibus closer to us is unavailable (eg, the minibus is booked for another job or the minibus is being repaired).</p>
